

Biography Time Line

Fill in the dates on the time line below. Then write what happened in your subject's life on each important date.

The diagram is a vertical timeline. A central vertical line has a small circle at the top and bottom. Six horizontal lines cross this central line, each connecting to a rectangular box. The boxes are arranged in three pairs, one pair on each side of the central line. Each box contains a 'Date:' label followed by a blank line, and then four horizontal lines for writing.
